On Wednesday January 14, 2026 at approximately 08:22 hrs, this officer responded to a reported two-vehicle rear-end collision on I-25 northbound at Exit 207B in Denver. Roadway conditions were snow-packed following overnight accumulation. V1 (2020 Toyota Camry, Reyes) was stopped in traffic ahead of the exit ramp. V2 (2019 Ram 1500, Koch) was traveling northbound and failed to maintain adequate following distance under the adverse surface conditions, striking the rear of V1 at low speed. Both drivers were uninjured and declined medical evaluation. No passengers were present in either vehicle. V2 was transported from the scene by Mountain West Towing as a precaution due to radiator proximity to damaged grille. V1 was driven from scene by its operator. Driver Koch was issued a citation for Following Too Close per CO CRS §42-4-1008. Scene photographs were taken and uploaded to the case file.
