SECTION 7 — NARRATIVE

On Thursday September 17, 2026 at approximately 16:21 hrs, this officer responded to the intersection of E Burnside Street and NE 15th Avenue in Portland on report of a two-vehicle rear-end collision with reported injuries. Rain was moderate and the roadway surface was wet. V1 (2019 Subaru Forester, Nguyen) was stopped at the red signal at NE 15th Avenue. V2 (2021 Toyota Highlander, Pemberton) was traveling westbound on E Burnside Street and failed to reduce speed in time, striking the rear of V1 at an estimated 35–40 mph based on damage extent and airbag deployment in V2. Witness Francis Yamamoto, standing at the northeast corner, confirmed V1 had been stationary for the full signal cycle prior to the collision. V1 passenger Hannah Nguyen, a minor age 7, was assessed by Portland Fire & Rescue Medic 1 personnel who identified neck and shoulder pain warranting transport. Hannah was transported to OHSU Hospital in stable condition. Driver Nguyen declined medical attention. Driver Pemberton was uninjured. V2 was towed by Rose City Towing due to airbag deployment and front-end damage rendering the vehicle unsafe to drive. V1 was driven from the scene. Driver Pemberton was cited under OR ORS §811.485 for Following Too Close. Scene photographs and signal state documentation were uploaded to the case file.
