SECTION 7 — NARRATIVE

On Thursday June 11, 2026 at approximately 11:44 hrs, this officer was dispatched to South Congress Ave at E Oltorf Street following a report of a vehicle-bicycle collision with injuries. Conditions were clear and dry with full daylight visibility. Cyclist Alejandro Cruz was traveling northbound in the designated bicycle lane on South Congress Ave. V1 (2020 GMC Yukon, Fitzpatrick) was also traveling northbound in the adjacent travel lane and turned right onto E Oltorf Street, cutting across the bicycle lane and striking Cruz. Cruz was thrown from the bicycle onto the pavement. Witnesses Patricia Denton and Marcus Webb were positioned on the sidewalk adjacent to the intersection. Both confirmed the cyclist had the right-of-way in the marked bicycle lane and that V1 did not yield before turning. Driver Fitzpatrick stated she did not see the cyclist in her mirror before executing the turn. Cruz sustained road rash to both arms and legs, a suspected left clavicle fracture, and a cracked cycling helmet. He was transported by Austin-Travis County EMS Medic 7 to St. David's Medical Center in stable condition. Driver Fitzpatrick was uninjured. The bicycle was documented and photographed; disposition to Cruz's household pending. Driver Fitzpatrick was cited under TX Transp. Code §545.421.
