SECTION 7 — NARRATIVE

On Saturday July 4, 2026 at approximately 02:14 hrs, this officer, Det. Romero, Sgt. Chen, and California Highway Patrol Coastal Division Unit 44 responded to I-405 northbound at Mile Marker 38.2 near the Sunset Boulevard exit in Los Angeles on report of a multi-vehicle collision involving a wrong-way driver with multiple serious injuries and a vehicle fire. Conditions were clear and dry but dark, with standard freeway lighting. Driver V6 (2017 Toyota Prius, Simmons) entered the I-405 freeway at the Sunset Boulevard on-ramp traveling in the wrong direction — southbound in the northbound lanes. Witness Anthony Bello, at the Arco gas station adjacent to the Sunset exit, observed V6 proceed up the northbound on-ramp in reverse direction and called 911 at 02:12 hrs, approximately two minutes before the primary collision. Gas station CCTV footage confirmed this sequence. V6 traveled approximately 0.4 miles in the wrong direction before impact, during which time V4 (2021 BMW X5, Patel), V3 (2020 Ford Escape, Greenberg), V2 (2022 Toyota Camry, Nakamura), and V1 (2019 Honda Accord, Torres) swerved to avoid V6, creating secondary collisions among them. V5 (2018 Dodge Challenger, Wong) was unable to avoid V6 and sustained a near-direct head-on collision at combined speeds estimated at 90+ mph by Det. Romero based on damage extent and EDR request. The head-on impact between V5 and V6 resulted in both vehicles being rendered total losses. V6's engine compartment caught fire upon impact; LAFD Rescue Ambulance 71 personnel suppressed the fire using onboard CO2 and dry chemical agents upon arrival. LAPD Air Support Air-7 arrived overhead at 02:22 hrs and provided thermal imaging support to confirm no further fire propagation and to direct ground units. Witness Felix Dominguez had pulled to the right shoulder approximately 90 seconds before the crash after observing V6's headlights approaching in his lane and called 911; he observed the full chain of secondary avoidance maneuvers and the primary V5-V6 impact from his stopped position. Witness Priscilla Wan provided mobile phone footage (approximately 28 seconds) showing V6 headlights approaching in the northbound lanes from approximately 800 feet away. V3 passenger Rachel Greenberg was transported in critical condition to Cedars-Sinai Medical Center under trauma activation. V3 passenger Noah Greenberg, age 13, was transported in serious condition to Children's Hospital Los Angeles with arm fracture and facial lacerations. V5 passenger Amber Wong was transported in serious condition to UCLA Medical Center. V2 passenger Hideo Nakamura was transported in stable condition. Driver Simmons (V6) was evaluated at the scene by LAFD personnel; a Preliminary Alcohol Screening (PAS) device registered BAC 0.19% (twice the 0.08% legal limit). Simmons was placed under arrest by Det. Romero at 03:01 hrs and transported to LAPD West LA Division jail for booking. V1 passenger Yolanda Torres declined transport after EMS evaluation. Drivers Torres, Nakamura, Patel, and Wong were uninjured.

SECTION 9 — SUPPLEMENTAL INVESTIGATION NOTES

SUPPLEMENTAL — DUI INVESTIGATION AND CRIMINAL CHARGES: Det. J. Romero #8821 assumed lead of the DUI investigation at 02:31 hrs. Driver Brandon T. Simmons (V6) was subjected to standard DUI investigation protocol at the scene. Field Sobriety Tests: HGN — 6/6 clues; Walk and Turn — 7/8 clues; One Leg Stand — could not complete. PAS device (Dräger Alcotest 9510, Cal. Cert. #DL-9412) registered BAC 0.19% at 02:44 hrs. Simmons was transported to West LA Division; a Title 17 blood draw was performed at 03:22 hrs by RN A. Mendez at Ronald Reagan UCLA Medical Center. Blood sample submitted to LAPD Scientific Investigation Division (Lab Case #SID-2026-0704-118). Results pending. CRIMINAL CHARGES (filed by Det. Romero): CA VC §21651(b) — Wrong Way on Freeway; CA VC §23152(a) — DUI Alcohol; CA VC §23152(b) — DUI per se (BAC ≥ 0.08%); CA VC §23153(a) — DUI causing injury to V3 passenger Rachel Greenberg (critical) and V3 passenger Noah Greenberg (serious) and V5 passenger Amber Wong (serious). Additional felony charge consideration pending Greenberg's medical outcome (CA VC §191.5 — gross vehicular manslaughter while intoxicated may apply if condition deteriorates). SIG-ALERT: LAPD issued SigAlert at 02:31 hrs closing all NB lanes of I-405 between Wilshire Blvd and Sunset Blvd. CalTrans emergency maintenance arrived at 03:14 hrs for center divider repair. All lanes reopened at 06:48 hrs. EDR/CVR DOWNLOADS: EDR requests submitted for V5 and V6. V6 EDR download authorized under CA Vehicle Code §20012 as part of criminal DUI investigation. Results pending. MEDIA AND PUBLIC INFORMATION: LAPD Public Information Office was notified at 03:45 hrs per policy. SigAlert media release issued. No further press release pending notification of V3 passenger Greenberg's family.
